	<p>From fresh and frozen to canned, dried and 100% juice, all forms of fruit have a place on our school meal menus. Whether it's enjoying a juicy pear at lunch or enjoying a handful of raisins as a snack, every fruit choice contributes to one's overall health and well-being.</p> <p>Fruit is packed with essential vitamins, minerals and antioxidants that promote overall health and well-being. Whether it's the vitamin C boost from citrus fruits, the potassium-rich goodness of bananas or the fiber-packed sweetness of apples, each fruit offers its unique nutritional benefits. By incorporating a variety of fruits into our school meals, we provide students with a range of nutrients to help them thrive both in and out of the classroom.</p>
